blushing bear

ROSÉ

Sweet wild strawberries and succulent notes of juicy guava, nectarine and pink grapefruit shine across a beam of bright, crisp acidity. Accented by a hint of minerality, this is mouthwatering wine with a long, textured finish.

Grapes were gently whole-cluster pressed, fermented in stainless steel and aged in experienced barrels to capture subtle aromas and flavors. Inspired by the wines of Provence, this fresh, fruity sipper is a classic blend of Mourvèdre, Grenache and Cinsault.
