CABERNET SAUVIGNON

Aromas of bright cherry, vanilla, and a hint of black pepper give way to flavorful black cherry, wild blueberry, currant, and a touch of minerality. A bold, full-bodied wine with firm, refined tannins, this is an elegant, graceful wine with a finish that lasts. Drinking beautifully now, with the structure to grow even more lovely in the coming years.

Twin Bear is a Walla Walla Valley Cab from a region that built its reputation on red wines, particularly Cabernet Sauvignon. Grapes for this second release were selected from Heather Hill Vineyard, located along the southwestern reaches of the Walla Walla Valley AVA. Its soil, aspect, and growing conditions provide expressive grapes of exceptional quality.

Handpicked grapes were de-stemmed, carefully sorted to ensure optimal berry selection, and fermented in stainless steel tanks. Regular punch-downs during fermentation helped achieve full extraction. Aged 22 months to soften the wine and fully integrate the flavors.
