

bear cub

red wine | v. 2019

From a vintage marked by excellent natural acidity, concentration, and flavor, the 2019 Bear Cub is a fresh, youthful wine bursting with ripe, sun-kissed summer berries and a hint of baking spice. Richly textured, layers of dark cherry, juicy boysenberry, and roasted coffee dance across a balanced mid-palate. Lively and easy drinking but with enough structure to prove this little fella can go the distance.

Dark, high-toned fruit from the Walla Walla Valley is the predominant source for this Cab-driven blend. Grapes sourced from the Wahluke Slope and Yakima Valley add layered complexity. A small amount of Horse Heaven Hills Syrah, aged in 600L Taransaud puncheons, adds richness and depth to the mid-palate. Aged 20 months in 100% French oak.
