

blushing bear

# 2020

*blushing bear*

ROSÉ

Inspired by the classic Bandol rosés of southern France, the 2020 Blushing Bear is 'sunshine in a glass.' This is a delicate, pale pink wine bursting with fresh grapefruit, honeyed guava and juicy watermelon aromas and flavors. Bright and richly textured, the flavors blend together seamlessly as they dance across the palate. Balanced acidity adds to the mouthfeel, building across a long, clean finish.

Sourced exclusively from Walla Walla Valley vineyards, hand-picked grapes were gently whole-cluster pressed to capture perfumed aromatics and delicate flavors. Afterwards, the juice was fermented, then aged in stainless steel for five months to deliver a clean, fresh style.
