Cabernet Sauvignon | v. 2023

The 2023 Pursued by Bear Cabernet Sauvignon is an aromatic, richly layered wine with notes of fresh blackberry, wild blueberry, and a subtle streak of vanilla bean. On the palate, black plum and mocha mingle with a hint of star anise, while fine-grained, fully integrated tannins lend structure and polish. Bright acidity brings freshness and lift, carrying the wine through a long, focused finish.

Small in yield but generous in character, the 2023 harvest produced wines with concentrated flavors, excellent acidity, and impressive balance. An extended ripening season allowed the fruit to reach full maturity while retaining the structure essential to Cabernet Sauvignon. Sourced from Les Collines, Heather Hill, Sagemoor, and Weinbau, the wine brings together four distinctive Washington vineyard sites, capturing the quality of the vintage with impressive dimension and breadth.
