

TWIN BEAR

Cabernet Sauvignon | v. 2020

The 2020 Twin Bear marks the fourth vintage of this collectible Cab. Offering elegant aromas of dark fruit, wild berries, and appealing notes of baking spice, the wine gains focus on the palate. Warm, earthy undertones are woven throughout complex layers of flavorful black cherries, wild blackberries and fresh plums. Refined and elegant, balanced tannins stretch across a long, graceful finish. Savor now or cellar for added enjoyment for years to come.

Twin Bear is a Walla Walla Valley Cabernet showcasing the best of the growing region. The AVA is known for rich, structured Cabs with vibrant fruit flavors and elegant tannins. For this limited-production wine, grapes were sourced from Heather Hill Vineyard, located along the southwestern reaches of the Walla Walla Valley AVA. Its soil, aspect, and growing conditions provide expressive grapes of exceptional quality, prized for producing wines of remarkable balance, intensity, and age-worthiness.

Handpicked grapes were de-stemmed, carefully sorted to ensure optimal berry selection, and fermented in stainless steel tanks. Regular punch-downs during fermentation helped achieve full extraction. Aged 32 months in new Taransaud French oak barrels.
