

TWIN BEAR

Cabernet Sauvignon | v. 2022

The 2022 Twin Bear Cabernet Sauvignon reveals layered dark fruit and refined structure, reflecting the elegance and composure that define the finest wines of Walla Walla Valley. Aromas of black cherry and cassis rise from the glass, layered with violet and a hint of graphite. The palate unfolds with dark plum, blackberry, and bitter-sweet chocolate, underscored by subtle notes of espresso and cedar. Supple on entry, rich tannins build through the mid-palate, lending shape and balance as the wine carries into a long, polished finish.

Sourced from Heather Hill Vineyard along the southwestern edge of the Walla Walla Valley AVA, Twin Bear Cabernet reflects the distinctive character of this remarkable site. The vineyard's soils, exposure, and growing conditions yield expressive fruit of exceptional quality, prized for producing wines with impressive balance, depth, and the structure. Sagemoor Vineyard Merlot enhances the wine's supple mouthfeel.

Handpicked grapes were de-stemmed, carefully sorted to ensure optimal berry selection, and fermented in stainless steel tanks. Regular punch-downs during fermentation helped achieve full extraction. Aged 30 months in Taransaud French oak barrels.
